Dear Sir or Madam:

On behalf of the Community Foundation of Southeastern Massachusetts, thank you for your \$1,000.00 contribution on 12/02/19 to the Dartmouth Education Foundation Program and Operating Fund.

“Our Community. Your Foundation.” This is a phrase we at the Community Foundation have adopted as a window into how we view ourselves and who we aspire to be. It is a promise to you—our stakeholders—to be unwavering in our commitment to grow philanthropy in our region to benefit the people and causes that we hold dear. Thank you for helping us to meet the critical needs of our region through the Dartmouth Education Foundation Program and Operating Fund.

Your generosity is truly appreciated. The Community Foundation would like to list you as a donor. The listing will read APC Auto Body. If you wish the listing to read differently or wish to be anonymous, please contact us at 508-996-8253 or email Pam Ellis at [pellis@cfsema.org](mailto:pellis@cfsema.org).

Again, thank you for your charitable investment in the Community Foundation of Southeastern Massachusetts.

Regards,

John Vasconcellos  
President
